Jump ninja manchester party

They HAVE ULTIMATE Party on Flip Out! Due to government guidelines the parties will work for a maximum of six guests on the party! Book now Jump Ninja is a Manchester-based indoor trampoline park with a choice of 60 related trampolines. The center boasts two alleys, a slam dunk zone, and ninja and cardio zones, as well as two party rooms for kids. The cafe has cafes as well as party packages for both children and adults. Groupon's offer is paid for and booked through an online booking tool. Arrived at the venue to find that it was closed for repairs and was unable to contact Groupon for a refund. Don't waste your time, the place is still closed 3 months later!!! Never got even a go at Jump Ninja was closed so had to do alternative measures. Purchased a deal, confirmed the booking the day before the visit (August 7). Attended on August 7 only to be turned away from builders saying jump ninjas went into administration! Three very disappointed children, and worse, I'm still chasing a coupon for my refund! Wouldn't recommend it!!! This place is closed for renovation during the school holidays ☹️ and I couldn't use my Groupon voucher in allotted time. Tried to get a refund from Groupon but didn't get a response, so wouldn't use Groupon ever again, the crappy experience ☹️ Horrible. Made an order but it was completely closed for service when we arrived. No email or text to tell us. It's a wasted journey. Frustrated children. It was closed due to unforeseen circumstances. I bought tickets for my grandchildren and when their parents booked a session on the line, everything was fine. When they arrived at the place, it closed. Three very disappointed children. We need more air conditioning in the cafe. Good laughter, even for a group of adults, could not stop laughing at themselves and at the expense of others really well. The kids loved it. Come back. We've been there a couple of times. Last time I was at a birthday party. All the staff were very helpful, the facilities are amazing, it's nice and clean which is important to me. No sticky tables, clean cafe area. A decent price is also considering other places nearby are a bit more expensive. Each jump session starts every hour, so you know in time to appear in order to get to the next session. Excellent trampolines, but also other activities such as augmented wall, big jump, rock climbing and so on. The view of the cafe is great because you can easily see the whole trampoline and can keep an eye on the kids. Will def visit again soon. Featuring a ninja jump 100 trampolines, Cyber Towers, Battle Rays, Ninja Slide, Total Wipeout zone, Ninja Warrior course, trick boxes, laser maze, DodgeAttack arena and more! You had to book at the time of purchase and their system allowed me to book for August. No message at all from the venue to say they were closed! Luckily we checked their website before leaving for the venue to find they were closed. I have a feeling that they may not be opening again as they website said closed for repairs until further notice ... doesn't bode well! ... Arrived on shutters 29/7 just went down to call to be informed that they were renovating and they didn't have to take money or let them be booked. 3 disappointed children advised me that I would get a refund of 3-5 days. Various phone calls that just ringing out emails have no answer and there is still no refund... Experience Date: August 2019 Really enjoyed our first visit to Jump Ninja. Our 3 year old twins had such an amazing time as well as my husband and I. Really nice and clean, not too busy, quick service with lovely hot chips and the staff were just wonderful! One in particular (I think he was Italian by the name of Carlo or Carlos) was just so fantastic with all the kids and the lady at the front desk kindly advised me that I had bought too many tickets and that I could save money next time. The manager was great (we asked to talk to him about the brilliant staff in the jump area) so we will definitely arrive again! :) Thank you! You!
